## OVERVIEW OF KEY IDEAS

- Grand Opening of Virtual League. This can be configured for large groups even in excess of 1000 Pax.
- Addressal by the senior management.
- Virtual 3D Stage and Customized Animated Logo.
- Client Exclusive Branding.
- Emcee to moderate the Virtual Event
- Artist Solutions

# League of Corporate Legends : Week 01 Execution Details

- The League of Corporate Legends can be configured for large groups even in excess of 1000 Participants.
- The league has been planned like a competitive tournament format spanning across 4 weeks.
- The league has been split into 4 stages:

Stage 1 - Clash of Units
Stage 2 - Clash of Tiers
Stage 3 - Semi Finals
Stage 4 - Finals

- Few consideration while planning the entire league:
  - Some teams operate 24/7 under tight schedule
  - Half of the teams operate from home and other half from offices
  - Majority of the employees don't have laptop and will be logging in from their phones

# League of Corporate Legends : Week 01 Execution Details

- The Team managers will be the captains of each of the teams
- The Captains will be given a QR code before the tournament launch and through that they will be able to create their teams WhatsApp groups that will be used for the communication all across the tournament.
- In case, the team members are not able to access WhatsApp due to any reasons, we will set up a dedicated helpline and team members can reach out anytime for any clarifications.
- The League would start as a competition within Units having sub teams within those units. Each team may not be equally divided and varies across units and teams. The games are planned keeping that in mind.
- The games will be held on Saturdays and Sundays – There would be fixed slots on both the days and roster would be prepared accordingly.

# League of Corporate Legends : Week 01 Execution Details

- The quorum (minimum attendance) expected for any team would be 70% - if they don't have the quorum or majority of the team members are not able to participate in their scheduled slot.
- There will be the provision to play in a spare slot. Every Sundays there will be 02 spare slots. Following may the various reasons people might need the spare slot:
  - In case people don't join due to some emergency.
  - In case the captain doesn't join.
  - In case 70% Quorum is not achieved.
  - In case for any business reason people are not able to join.

STAGE : 01

# Clash of Units

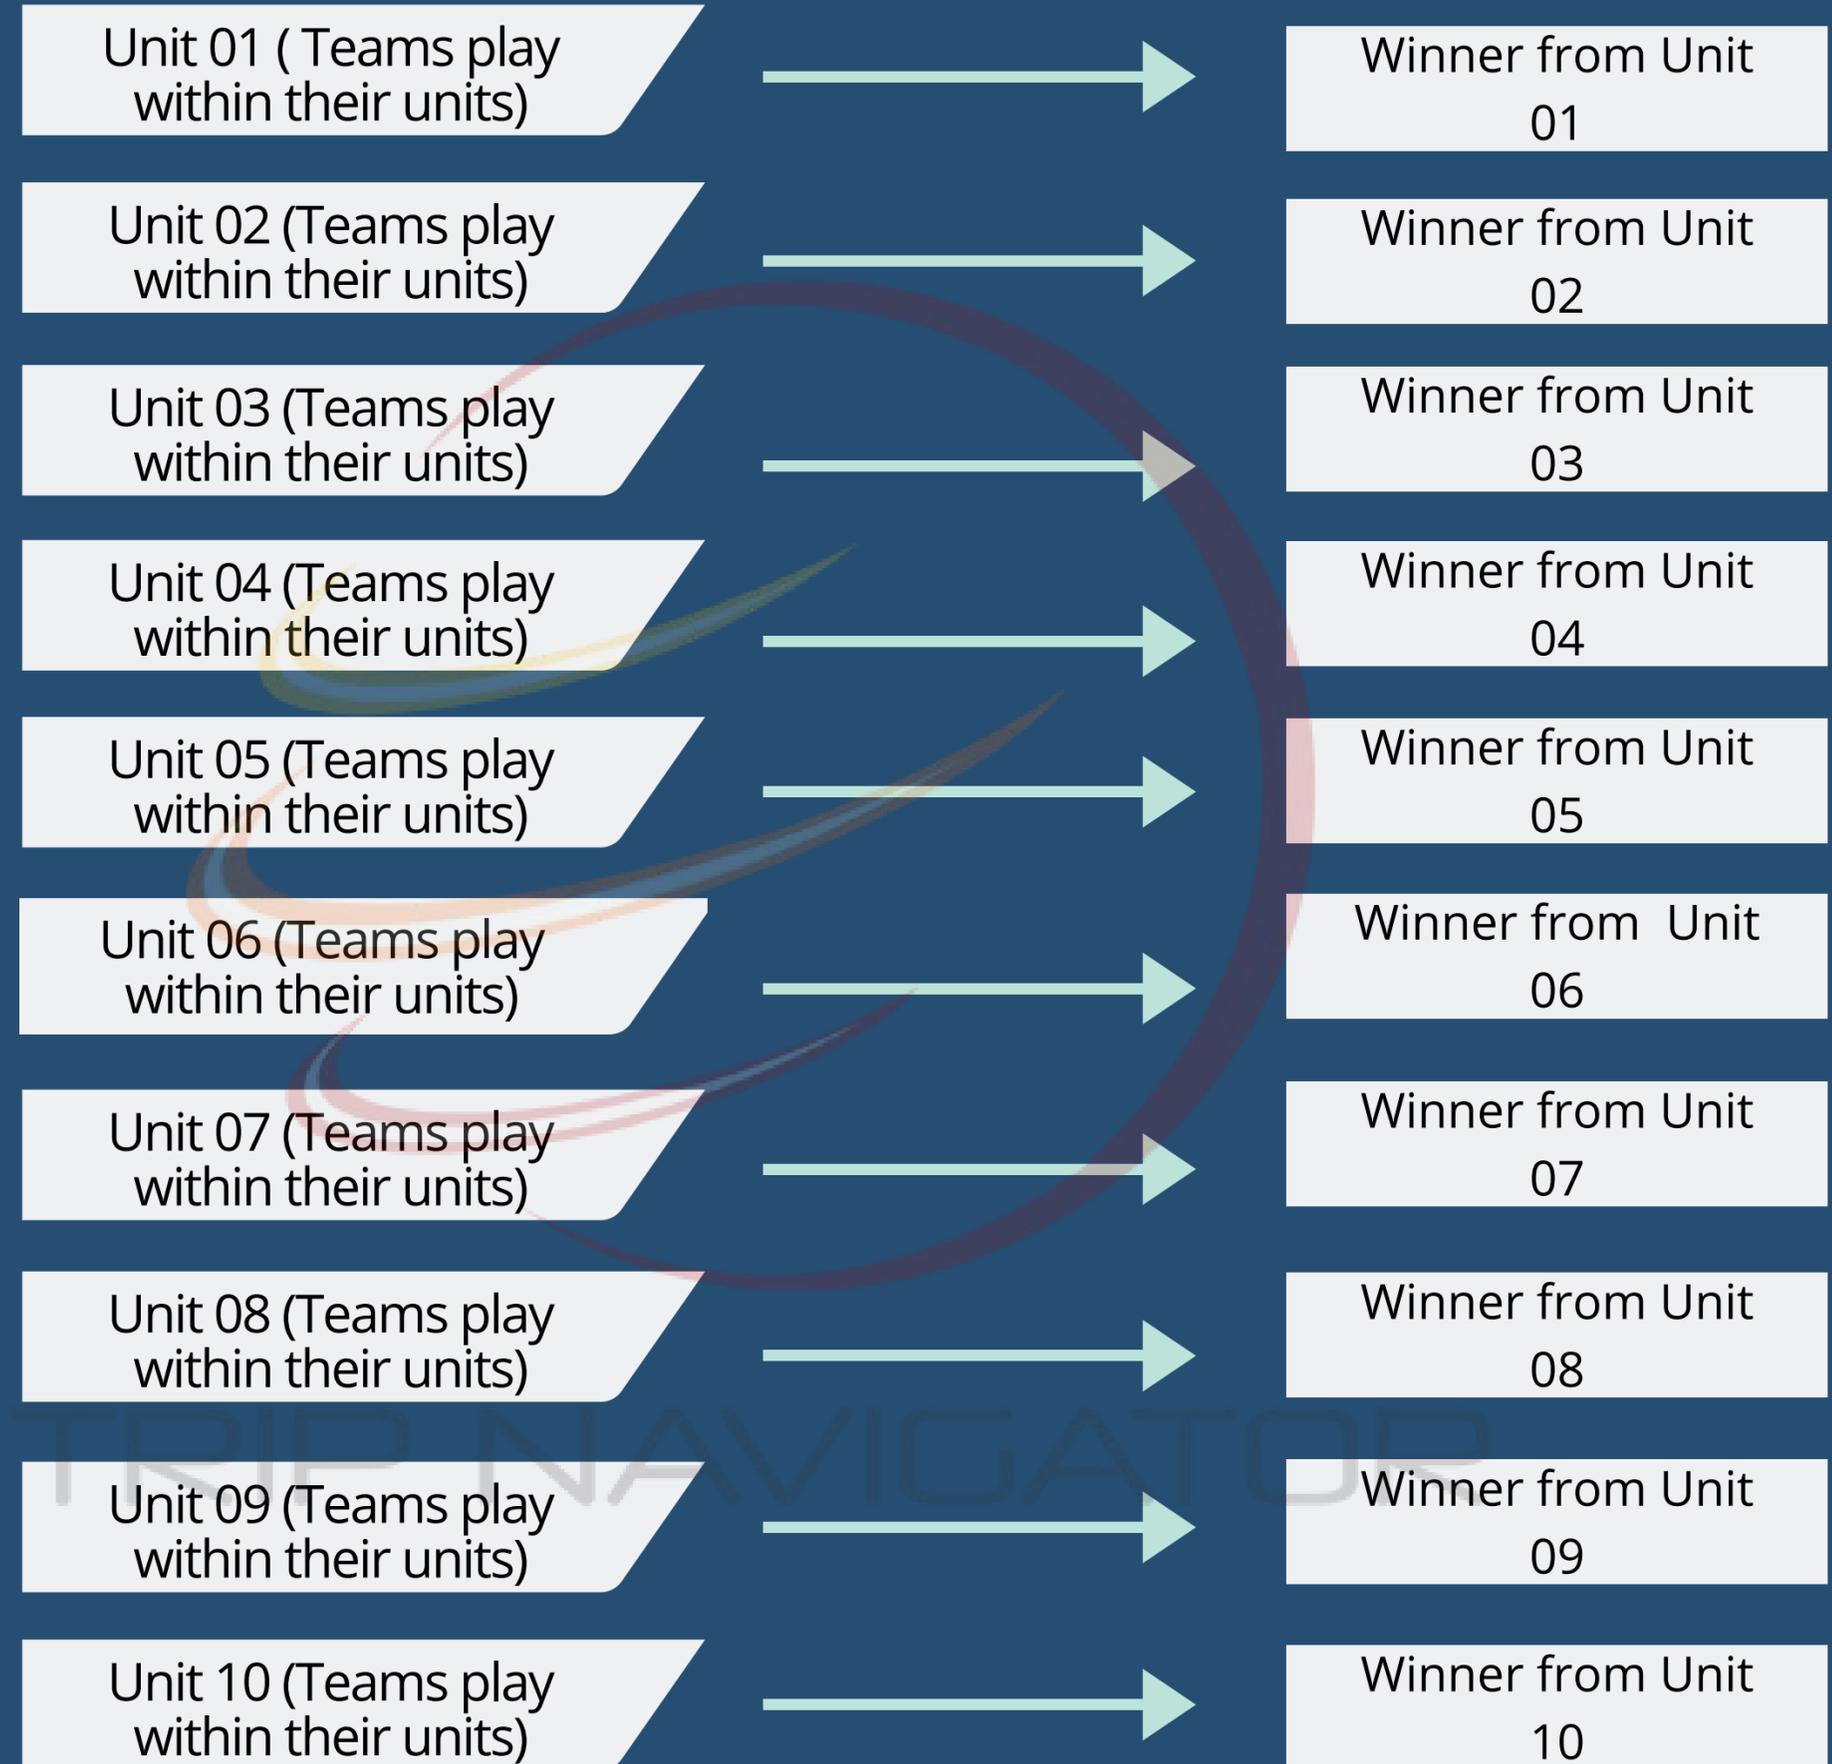

NAVIGATOR

# Clash of Units

**\*Sample Dashboard Structure taken for example with 10 Units**

All the teams in their individual units compete with each other for 03 Games. The Highest scorers in their individual unit proceed to the next stage

Proceed to the Clash of Tiers

# CLASH OF UNITS – Week 1 – Saturdays & Sundays

- All the teams will play three matches each during this week.
- All the three matches will have different competitive virtual team engagement activities
- Teams will play as per their assigned slot (Sample calendar given on next slide)
- The activities can be conducted for all teams together however lesser number of teams can be accommodated in slots in the weekend.
- Teams will be sent 1 Zoom Platform Link and 1 Google Meet Link as a part of the Invite
- The objective for each team will be to score maximum points. The team from the unit with maximum score in all three games will proceed to the next stage. All the teams will progress to next stage.
- All the teams scheduled in a particular slot will login together on the Zoom Platform. Here we will take a stock of attendees and will also brief them about the game objectives, rules, scoring etc.
- They will logout after the briefing and immediately connect on Google Meet link where they will have only their team members and activity will be played here. (This is done because majority people login in through their phones and breakout rooms don't work on phones)
