DAY 1: ARRIVAL IN JAIPUR

We launch our trip from the pink city – Jaipur. Founded by Maharaja Jai Singh II in 1727 AD, Jaipur was the stronghold of the Rajput's. They gave it its everlasting legacy in the form of various heritage sites, arts and crafts, culinary curations etc. Princely, historical & enthralling, it is the gateway to the country's most swashbuckling state. Once the delegates land at Jaipur International Airport they would be welcomed by our team, transferred to the hotel for checkin, time for leisure, the vehicles will be handed over to the participants and a detailed briefing of the tour will be done.

DAY 2: JAIPUR – KHIMSAR VIA SAMBHAR SALT LAKE (325 KM)

The adventure starts today. Post breakfast we will be ready to hit the road in our SUVs going towards Khimsar. Enroute we will drive to the Sambhar Salt Lake, India's largest saline lake and a place which produces 9% of total salt of India. After doing some fun driving on the dried land we will proceed for lunch. We will be reaching Khimsar by evening. We can enjoy the beautiful sunset on the dunes while enjoying the evening tea. We will then proceed to check-in and dinner at the hotel in Khimsar.

DAY 3: KHIMSAR - NARLAI VIA OSIAN (285 KM)

Today we will leave for Narlai & on the way, we will make a stop at the desert town of Osian. It is an ancient town located in the middle of the Thar Desert. Eat homecooked food for lunch prepared right in front of your eyes in a typical Bishnoi village home. Spend time with the locals and get to know their tradition and archaic lifestyle followed by a jeep/camel safari on the nearby sand dunes. We will leave Osian with a feeling of belonging, with a sense of homeliness and with a little bit of Rajasthan inside us. The long and exciting day draws to a close as we reach Narlai by evening. Check-in and dinner at the hotel.

DAY 4: NARLAI - UDAIPUR VIA KUMBHALGARH (140 KM)

The sun rises on what promises to be another exciting day of the journey. But, if you are a history buff looking to visit a heritage place from the bygone era, then our next stop will fascinate you. Nestled in the Aravali Ranges, Kumbhalgarh Fort, a UNESCO World Heritage Site was built in the 15th century. Surrounded by verdant forests, the fort attracts travellers due to its pristine location and architectural grandeur. Its 36-km long external wall is considered to be the second-longest wall in the world after the Great Wall of China. The long and exciting day draws to a close as we reach Udaipur by late evening. We will then proceed to check-in and dinner at the hotel in Udaipur.
